"90 super prayers for ordinary boys to be extraordinary for Jesus."

Little boys are convinced that it's beyond amazing to be able to fly like Superman, to be as strong as the Hulk or to be as fast as the Flash. But those super powers don't come close to the greatest super power of all – prayer!

That's exactly what boys will learn in the *Super Heroes Prayer Book* by Carolyn Larsen (author) and Joe Goode (illustrator) – they can do just about anything if they just pray to God. The action-packed illustrations with a comic book feel accompany 90 super prayers and key Scripture verses that ordinary boys can pray to become extraordinary super heroes for Jesus. The prayers are divided into 15 sections that include prayers for when they're scared, don't understand something, sad or when they want to pray for friends or family members.

The *Super Heroes Prayer Book* will show these young super heroes that God loves them so much, because they are His own special super heroes on earth and He will give them whatever they need to do His work.

THE PROMISE OF JESSE WOODS

SMS the keyword - **"Jesse"** followed by your name and address to **32697** to enter.*

The summer of 1972 was the most pivotal of Matt Plumley's childhood. While his beloved Pirates battle for back-to-back World Series titles, Matt's family moves from Pittsburgh to Dogwood, West Virginia, where his father steps into the pulpit of a church under the thumb of town leader Basil Blackwood. A fish out of water, Matt is relieved to forge a fast bond with two unlikely friends: Dickie Darrel Lee Hancock, a mixed-race boy, and Jesse Woods, a tough-as-nails girl with a sister on her hip and no dad in sight.

As the trio traipses the hills and hollers, Matt begins to fall for Jesse, and their promises to each other draw him deeper into her terrifying reality. One night, the wrath of the Blackwoods and the secrets of Jesse's family collide, and Matt joins Jesse in a rescue that saves one life and ends another . . . and severs the bond of their friendship.

Years later, Matt is pulled back to Dogwood and to memories of that momentous summer by news of Jesse's upcoming wedding. He could never shake the feeling that there was more to the story of that fateful night, and he's determined to learn the truth behind the only promise Jesse Woods ever broke.

IS YOUR THINKING KEEPING YOU POOR?

SMS the keyword - **"Thinking"** followed by your name and address to **32697** to enter.*

'Thinking like a poor person will keep you poor. Thinking like a wealthy person will make you wealthy. I would like to show you exactly what the differences between the two ways of thinking are and how you can use them in your favour.' - Douglas Kruger

Being rich is not normal: most people never achieve wealth in their lifetime. The very word 'rich' describes a state beyond the median, and therein lies an important lesson.

To become rich, your thinking has to be radically different from that of the people around you. Do you know what those specific differences may be?

Business and wealth guru Douglas Kruger strips away the feel-good hype and gets right down to the practical principles. He leads you through the types of thinking that hold individuals, families and businesses in generational cycles of poverty. He explores the dramatically different approaches of the self-made rich and super-rich, showing you which behaviours to begin practising and which behaviours are traitorous to your wealth potential.

Escape poverty. Raise your value. Change the trajectory of your story.

It all begins with the way you think.
